It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

**Nonprofit corporations** must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

**Form 3.2(B) Management and/or Supervisory Experience.** Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

## FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

**Instructions.** Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. ### 3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

**Instructions:** Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

The most important predictor of success in this business the provision of a consistent presence. An active working deputy builds a trained, accountable, and empowered staff that results in a positive working environment. A trained staff will have the appropriate tools and knowledge of the tools to effectively work with the deputy and BMV field staff. The deputy will be available to coach, train, and enforce Ohio BMV process regulations.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

Continuous training, with attention to review and compliance, will be maintained with the support of the management team. All actions, processes and decisions will align to the laws that govern licencing services. Working closely with BMV field staff and administrators will also be critical to stay updated with all changes within those laws, guidelines, rules and procedures.

3. What measures will you put in place to detect, deter, and prevent fraud?

The following measures will be followed to prevent and detect fraudulent activity encountered by deputy registrars and the BMV:

- continued maintenance of BMV investigator relationships (new and existing)
- continued maintenance of relationships with, and reliance upon, the Ohio State Highway Patrol
- continued maintenance of local law enforcement agency and FBI field office relationships
- maintainance of an up-to-date and functioning surveillance system
- continued training of the staff and management team to actively and accurately identify fraudulent efforts

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

I will ensure that all policies and procedures (existing and new/updated) are communicated and understood through the following actions:

- maintenance of a broadcast logbook that is available at all times
- required and documented
- facilitation of a working environment that values use of updated deputy registrar manuals to ensure compliance with policies and procedures
- maintenance of the post issuance review process (DON'T KNOW IF THE REST IF NEEDED) and oversight during the issuance process
- proactive use of the BMV evaluation process specific to the implementation of corrective actions upon identification of issues that impact compliance with current BMV policies and procedures

5. How will you demonstrate good leadership to your employees?

First, it is my belief that my credibility, experience and background with the BMV well-positions me to step in as the leader of the deputy registration location for which I am applying. I will have a presence within the agency as a leader, manager, employee and customer champion, and worker. I am confident in my conflict-resolution and communication abilities specific to customer conflict and will demonstrate sincere and fair conflict-resolution leadership to both employees and customers.

6. How will you maintain a high level of professionalism each day in this business?

By defining expectations for myself and registrar leaders and employees that align with the core tenants of a professional business environment and that align to the expectations modeled by the BMV administrative office. Example of those expectations are: courtesy, empathy, fairness, clarity, identification of options and alternatives as feasible, and problem-resolution.

7. How do you intend to recruit and retain high quality employees?

Personal referral will be weighed heavily if the source is from an established, trusted relationship. Employee recruitment and retention will be largely based on the offering of competitive wages and benefits in a safe and productive work environment. Skillsets such as organization, confident and clear communication, and the capacity to learn and act on new and changing policies and procedures will be considered.

8. How will you provide a safe, clean and friendly place to do business?

A documented maintenance plan and cleaning schedule will be followed. In addition, employees will be required to follow in-office protocols relative to cleanliness, as well as be active in identifying, reporting, and reacting to conditions that may be unsafe, unclean, or uninviting to customers.

9. How would you deal with an irate customer?

By (and training employees to):

- stay calm and not take the situation personally
- be an active listener (let them be heard)
- personalize the interaction (show understanding and empathy)
- acknowledge the customer's emotions
- use positive language, restating the issue as explained by the customer
- build trust and set clear next steps
- thank them (for their patience, use of the agency, role in resolving the problem, etc. - whatever is appropriate)
- require the impacted employee to share the situation with the full team for the purpose of knowledge-sharing and improvement for all

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

Train and advise them to:

- stay calm and not take the situation personally
- be an active listener (let them be heard)
- personalize the interaction (show understanding and empathy)
- acknowledge the customer's emotions
- use positive language, restating the issue as explained by the customer
- build trust and set clear next steps
- thank the customer (for their patience, use of the agency, role in resolving the problem, etc. - whatever is appropriate)
- share the situation with the full team for the purpose of knowledge-sharing and improvement for all

11. How will you meet the expectations of the Bureau of Motor Vehicles?

By being an active and present deputy who is committed to excellence, including exceeding all components of the deputy registrar evaluation process, and the execution of a business model that aligns with BMV expectations and regulations.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

- 7+ years operating the State of Ohio's largest Ohio BMV customer service center
- 7+ years experience as Administrator of Field Operations for the Ohio BMV
- 15 years as owner/operator of multiple pizza restaurants located throughout the eastern United States
- Innovative approach to customer service, e.g. Get in line online
