FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE**

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary.*

3.3 CUSTOMER SERVICE EXPERIENCE

Instructions. Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

- A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

Having worked for a Registrar, one of the biggest take out was noticing customer coming in without having certain necessary documents they may have needed to perform the transaction they came in to the agency to have done after perhaps waiting sometime in line, I would have an employee who is knowledgeable of documents and forms to prescreen the customer before they come up to the window to assure they have everything needed. This added step would speed up service and prevent the customer from having to wait in line for any period of time only to be told they didn't have all their documents.

I also believe continued training and updating the employees of any changes to policy and procedures as it relates to BMV would also benefit and improve service.

I also believe that employing staff that is fluent in other languages for our customers who do not speak english would also be a plus.

If space permits, perhaps having an express lane which concentrates on quick vehicle registration transaction would also be beneficial.

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

Because this would be my first Deputy Registrar, to manage, be responsible and accountable would mean, being present. Knowing it perhaps isn't possible to be there all the time, also having the right manager/supervisor in my absence would be key. I would have a manager there to reflect my vision of how the agency should be ran. Continued seeking knowledge of the business by means of updates from the BMV and team meetings are definitely key.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

By closely monitoring staff and daily reports would be key. Stay up to date with new policies and procedures from BMV. Make sure that staff is properly trained, and are following and understand the laws, rules, guidelines and procedures.

3. What measures will you put in place to detect, deter, and prevent fraud?

Because fraud prevention is high, unscheduled money drops from employee and cash balances, help keep cash in drawers very low. Being a hands on Deputy and working with my employees let employee know that I am always present. Also, having cameras throughout the agency will also assist.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

I would keep in place a log book of those emails and broadcast and have all staff including management to sign off that they read and understood the revised policy and procedure changes.

5. How will you demonstrate good leadership to your employees?

I would lead by example, this would be done through following all policy, procedures, and guidelines set forth by the BMV. Also, being on time, how I dress, engage with customers, all would demonstrate good leadership.

6. How will you maintain a high level of professionalism each day in this business?

Maintaining a high level of professionalism would be at the top of my list to do. I would make sure that every customer is greeted properly, handling the customer need, and thanking the customer. I believe on how one dress and present themselves is very important.

7. How do you intend to recruit and retain high quality employees?

When awarded a Deputy Registrar, I plan on introducing myself and interviewing all who would like to stay onboard. Once hired, training, training, training. For those who do stay onboard, find out their level of knowledge and seek out their help with training the new employees and make sure to always continue to learn new policy and procedures as it relates to BMV.

8. How will you provide a safe, clean and friendly place to do business?

I would provide a safe, clean and friendly place by have security cameras installed. During the winter months with snow and on days when it rains, I would make sure to have wet floor signs up to warn the customer. Daily and weekly cleaning duties will be in place, especially when it comes to public restrooms. With regards to a friendly place to do business with us, I would make sure that employees greet out guest with a smile and how may I help you. Make sure to thank them and see that we handled all of their needs.

9. How would you deal with an irate customer?

It has been my experience that people just want to be heard. If a customer comes in or becomes irate, I would listen to the customer to see what their concerns are and make sure to address their concerns. I would always speak in a low tone, and sometime even repeat what the customer tells me their concerns are so that they know that they have my undivided attention.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

I would make sure that my employees listens to the customer concern(s). Don't ever yell at the or get into a debate with the customer. Make sure to let them know that you are there to help them with whatever problem or concern that they have and that your goal is to help them find a solution. If after all that and the customer is still irate, I would instruct them to get the assistance from management.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

Not only will it be my goal to meet expectations of the Bureau of Motor Vehicles, but to exceed them. This in part would be accomplished by following the rules, regulations and guidelines set forth by the BMV. Continued training and maintaining updates of any changes made would also be crucial.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

I believe that the Bureau of Motor Vehicles should award me as a Deputy Registrar because of my years of experience with customer service from both as an employee and entrepreneur. I have demonstrated leadership and mentored many throughout my years. As a manager, I have had the responsibilities of overseeing budgets in the upper hundreds of thousands to millions and had successfully maintained them. Because of my strong leadership, I believe I can bring to the table the same success to being a Deputy Registrar, while maintaining great customer service.
