* Use the “TOTAL TRANSACTIONS” estimates for calculating the agency class size, number of computer terminals, minimum weekly staff hours, minimum parking spaces, and minimum square footage requirement.

Disclaimers: All data listed in this section are estimates based on evaluations of transactions over a recent twelve-month period and may not accurately reflect actual future transactions. All figures may be subject to fluctuation or changes. The number of transactions in each category may vary for many reasons. The number of deputy registrar agencies may increase or decrease. Other competitive factors may affect the number of transactions. Finally, the fees may be affected by changes to the applicable laws.

Therefore, the Registrar makes no representations nor guarantees regarding the accuracy of the estimates, the actual number of transactions which may be expected to occur under the proposed contract, nor the listed fees.

6. Is designated **BMV CONTROLLED SITE**, see BMV Controlled Site Form, included.
 - Is designated **COUNTY CONTROLLED SITE**, see COUNTY Controlled Site Form, included.
 - Is designated **DEPUTY PROVIDED SITE, PROXIMITY**, proposers must submit Form 5.4, Proximity Attachment. See DEPUTY PROVIDED SITE ATTACHMENT, included.
 - Is designated **DEPUTY PROVIDED SITE, WITHOUT ANY ONE-STOP SHOPPING CONSIDERATIONS**, proposer should not submit Form 5.4 and should NOT attempt to make any arrangements in conjunction with an OSHP Driver License Examination Station or Clerk of Courts Title Office. DEPUTY PROVIDED SITE ATTACHMENT

Location # 87-B, Wood County, Perrysburg

Site fixtures. Any proposer who chooses to submit a proposal for the existing deputy registrar license agency location at **26611 North Dixie Highway, Suite 125**, and is granted a valid lease option for the term of the contract, will be offered the opportunity to use all fixtures in place already owned by the BMV. These fixtures may include the following items: counters, alarm system, signs, and other permanent fixtures. The deputy registrar, at the deputy's own expense, shall be responsible for modification of any such fixtures to comply with requirements and shall be responsible for maintaining all such fixtures during the term of the contract. During the term of the contract, the deputy registrar shall not add, modify, or remove any such fixtures without the written permission of BMV Field Services. At the end of the contract, all such fixtures shall remain the property of the BMV and the deputy registrar shall not remove or commit any waste on the premises or fixtures. The deputy registrar shall be strictly liable to the BMV for any waste or damages.

A proposer may also choose to submit a proposal for a different location within the designated geographic area. In that case, the proposer must supply all necessary site fixtures on their own without opting to use fixtures already owned and provided by the BMV.

In either case, the proposer must submit complete site plans and counter plans with the proposal.

Business equipment and furniture. The selected deputy registrar will be required to supply all other equipment necessary to operate the agency, including chairs, desks, typewriters, storage shelves, file cabinets, a safe, and all other necessary office supplies and equipment. (See RFP section 1.13). The deputy registrar shall remove the deputy registrar's business and furniture at the end of the contract unless the deputy registrar agrees to sell or transfer it all or in part to the successor deputy registrar.
