

## **Vehicle Registration Permissive Tax FAQs For County, Municipality and Township Officials**

### **What is “vehicle registration permissive tax?”**

“Vehicle registration permissive tax “(hereinafter referred to as “permissive tax”) is an optional tax that can be levied by counties and/or taxing districts on vehicle registrations. It is defined in Ohio Revised Code (ORC) Chapter 4504: Local Motor Vehicle License Tax. There are eight \$5.00 levies that are available to be enacted, but only four can be in effect at any one time in any single taxing district.

Permissive tax revenue is to be used by the counties and taxing districts per ORC Chapter 4504, which includes planning, constructing, improving maintaining and repairing public roads, highways, streets, and for the maintaining and repair of bridges and viaducts.

### **What is a “taxing district?”**

A taxing district is either a township or a municipality (incorporated village or city).

### **How is a levy enacted?**

Counties, municipalities and townships pass a resolution/ordinance per ORC. Once the resolution/ordinance has been passed, a copy is sent to the Ohio Bureau of Motor Vehicles Tax Distribution Section by July 1 to be effective the following registration year (ORC section 4504.08).

For a sample resolution/ordinance, or for additional information, please contact the Tax Distribution Section (see below).

### **How do we find out if our taxing district has already enacted all levies allowed?**

The current Taxing District Code Book is published on the BMV website at: <http://www.publicsafety.ohio.gov/links/Taxing-District-Code-Book.pdf>.

This publication lists all the taxing districts within each county and the current permissive tax rates. The maximum permissive tax in any single taxing district is \$20.00 per registration per registration year. If \$20.00 is the listed rate for a taxing district, no new permissive tax levies can be enacted for that taxing district. Please contact the Tax Distribution Section for additional information.

Counties have the option of enacting levies under ORC sections 4504.02, 4504.15 and 4504.16. Enacting these levies is contingent on the respective municipal levies of 4504.06, 4504.17 and 4504.171. For example, if City X in County Y has already enacted 4504.06, then County Y now levying 4504.02 will not be able to collect permissive tax from vehicle registrations of the residents of City X under 4504.02.

Municipalities have the option of enacting levies under ORC sections 4504.06, 4504.17, 4504.171 and 4504.172. Enacting 4504.06, 4504.17, and 4504.171 are contingent on the respective county levies 4504.02, 4504.15 and 4504.16. For example, if County X has enacted 4504.02, then City Y cannot enact 4504.06. ORC 4504.172 is not contingent on any other levy, so a municipality can pass an ordinance at any time to enact this.

Townships have the option of enacting a levy under ORC section 4504.18. ORC 4504.18 is not contingent on any other levy, so a township can pass a resolution at any time to enact this.

**How much of the permissive tax does the county/taxing district receive for each of the levies?**

The percentage each county/taxing district receives in permissive tax depends on which levies are enacted in that county/taxing district. Please refer to the following charts:

**County Levies**

<b>ORC Section</b>	<b>Amount</b>	<b>Distribution Rules</b>
<b>4504.02</b>	\$ 5.00	<b>100% of the revenue collected is distributed to the county</b> <b>(Municipalities can request from the county a portion of this revenue, per the Ohio Revised Code)</b> (Counties have the authority to enact this tax at any time, however cannot collect revenue from municipalities already enacting 4504.06)

<b>4504.16*</b>	\$ 5.00	<b>If a municipal registration: 100% is distributed to the county</b> <b>If a township registration: 30% to the township, 70% to the county.</b> <b>(*Effective January 2002, 4504.051 allows an increase or decrease in the allocation to townships by passage of a resolution and county approval.)</b> (Counties have the authority to enact this tax at any time, however cannot collect revenue from municipalities already enacting 4504.171)
