28. Employment, management, supervisory, and business experience. Each Proposer's experience is one of the most important factors to be considered in the award of deputy registrar contracts. For the purposes of this RFP, experience gained prior to the year 1990 will not be evaluated or considered. Please provide a professional resume, in chronological order (no earlier than 1990), the positions you have held. If the position you held in 1990 was one you started before 1990, you may list that position and the date you actually started on your submitted resume. ### FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE FORM 3.2(C) EMPLOYEE EXPERIENCE

### **Instructions**

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

<u>Form 3.2(A) Business Ownership Experience</u>. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

<u>Form 3.2(B) Management and/or Supervisory Experience</u>. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

<u>Form 3.2(C) Employee Experience</u>. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

#### 3.3 CUSTOMER SERVICE EXPERIENCE

**Instructions**. Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

I routinely help farmers fill out their Form 2290 (Highway Use Tax) and fax it to the Internal Revenue Service for filing for them. If they do not have an Employer Identification Number (EIN), I give them a telephone number to call in order to get one.

When a customer comes into the office and/or calls for help with questions on paperwork or documents they are needing to bring in with them, I explain what is needed. If I am unsure on how to help them, I will research the issue to get the correct information for them.

To improve customer service, I plan to insure that my staff and I treat each customer as they would want to be treated. By greeting everyone with a smile and a good attitude. We will continue to have completed directions on how to get to the testing/examiner stations for those who are ready to take their written and/or driving tests. When a customer comes into the office for a permit, I will let them know that they will be able to take the test on-line as long as they have a web-cam.

If a customer calls in and explains that they have a health issue and are afraid of getting sick, I will work with them by having them come into the office before it is open to complete their business.
