ODPS will electronically route the Participant(s) request to the appropriate county Clerk of the Court of Common Pleas (Clerk) for processing. ELT also includes the ability of a Participant(s) to receive an electronic notification of a lien noted in favor of the Participant(s) via either a paper application submitted directly to a Clerk or from the submission of an electronic transaction request. Part 1 of this agreement must be completed as a prerequisite to participation in the ELT process. Part 2 of this agreement is required only if Participant(s) is submitting electronic requests for transactions that result in a statutory fee as listed in Part 1 Section H.

Notwithstanding any provision of this agreement to the contrary, this agreement is subject to any restrictions, limitations or conditions enacted by the Ohio General Assembly now or in the future that may affect any or all terms or provisions of this agreement in any manner. Participant(s) agrees that written notice from ODPS of any such restrictions, limitations or conditions as may be enacted by the Ohio General Assembly will constitute a modification or amendment to this agreement even though they were not put in writing and duly executed by each party’s authorized official. ODPS will promptly advise Participant(s) of any such enactment. Participant(s) may immediately terminate this agreement shall it decide not to comply with the modification or amendment to this agreement.

ELECTRONIC FUND TRANSFER AUTHORIZATION MASTER AGREEMENT FOR PREAUTHORIZED PAYMENTS

A. GENERAL PROVISIONS
This agreement provides the standards for electronic fund transfer (EFT) debit payment of fees to ODPS. The Participant(s) shall not assign or transfer activities under this agreement without prior written consent of ODPS. Part 2 of this agreement is required in order for said Participant(s) to initiate all electronic requests for transactions that result in a statutory fee as listed in Part 1 Section H.

1. Fees submitted through EFT shall in no way preclude, affect, or change the ability of ODPS to collect additional fees and penalties, when due.

2. ODPS shall initiate an Automated Clearing House (ACH) debit by transmitting a National Automated Clearing House Association (NACHA) formatted file to ODPS’ depository for processing through the ACH system.

B. PAYMENT OF ODPS FEES DUE

1. Designation of Account
   The Participant(s) shall complete a form (Section F of this agreement) that shall designate the account from which funds for payments due ODPS shall be drawn. If the designated account is held by anyone other than the Participant(s), the holder of the designated account shall authorize such use in addition to providing the account information. If the Participant(s) designates an account held by anyone other than the Participant(s), the Participant(s) shall retain responsibility for ensuring that payments are received by ODPS, including payment of charges associated with returned items as set forth below.

2. Date Fees Due
   ODPS fees shall be due and made available for debit from the account designated in this authorization on the next business day following the day the transactions are completed by the county Clerks of the Court of Common Pleas.

3. Proof of Payment
   Fees submitted by EFT shall be considered received when the funds are credited to ODPS’ depository account.

4. Debit Amount Authorized
   ODPS shall debit the Participant’s designated account for the exact amount of the electronic billing. If the amount of any billing is disputed, the Participant(s) shall notify ODPS of the dispute within 30 days of the date of billing.

5. Notification of Payment Due
   The Participant(s) agrees that under their right to receive written notice of varying transfers, the electronic billing will serve in lieu of written notification from ODPS.

6. Returned Items
   Should ACH debits be returned from depository, the Participant(s) will reimburse ODPS for all returned items, plus returned item charges, plus any other related expenses incurred by ODPS as a result of the returned items.

C. CHANGE OR CANCELLATION OF AUTHORIZATION

1. The Participant(s) shall provide to ODPS any change in the Participant’s depository account in writing, at least 30 days prior to the change.

2. The Participant(s) may cancel this authorization by providing written notification to ODPS at least 30 days prior to effective date of the cancellation.

3. ODPS reserves the right to cancel participation in this system for any reason including but not limited to non-payment, delayed payment, or a pattern of payment problems. The Participant(s) will be notified of cancellation of participation in writing. Cancellation of participation in this system would not prevent the completion of transactions via non-electronic means.
